

Bringing the wealth of Enterprise Architecture experience of our Strategic Advisors and Senior EAs to bear on your challenges, reviewing your needs and providing recommended practices to meet them.

What it is

Ardoq has a wealth of cross-industry, Enterprise Architecture experience within our Professional Services and Amplify teams, with over a hundred years of combined experience. The Ardoq Advisory Consulting service package brings this experience to bear in the form of two workshops that firstly explore your challenges and discuss your requirements before following up with any recommended practices and general guidance to help you move forward. Whether it be advice on establishing your EA practice, planning a path to achieve specific business outcomes, or exploring new ways to leverage the Ardoq platform and the insights it provides, our Advisory Consulting package provides targeted advice in the areas that you need it*.

Ardoq Advisory Consulting consists of the following:

* the topic to be addressed must be mutually agreed in advance to ensure appropriate resource alignment.

What you'll accomplish

- Benefit from Ardoq's experience and guidance in addressing your EA-related challenges
