Education – Ardoq API

Ardoq Services Offering

Ardoq

Learn the power of the Ardoq RestAPI enabling you to create custom integrations between Ardoq and your third party applications.

What it is

A Professional Services integration consultant will provide the necessary knowledge transfer on the Ardoq API to your technical team via two workshops: the first will cover an introduction to the ReST Architecture, authentication, and a walk through of pre-built examples of API usage; the second will set a hands-on API exercise for attendees to complete and discuss your specific integration use cases at a high level, providing guidance on Ardoq best practices and answering general questions.

Ardoq API Education consists of the following:

Introduction, Authentication & Examples Workshop	Hands-on Exercise, Customer Use Case and Q&A Workshop

What you'll accomplish

- Gain the knowledge and skills needed to leverage the Ardoq API

- Benefit from Ardoq advice and guidance related to your specific API use cases
